

Question: What is the purpose of the orientation?

Answer:

- 1 ) **Attend AD Migration Orientation.** They are welcome to participate in our meetings, but that may be over kill for most.
- 2) **Create appropriate documentation.** They will receive the documents at the Orientation which they can customize.
- 3) Help Desk **ticket requesting Migration and testing** assistance for Active Directory
- 4) **request for z-acct** in Active Directory, for OU admins.
- 5) clean up their environment
- 6) test before migration
- 7) test again
- 8) are you sure nothing is going to break?
- 9) failover strategy
- 10 ) Migration
